

The Crinoid Classifieds

Do you or your partner have too many fossils in their collection?

I know my wife thinks so! Well why not sell some of them in “The Crinoid Classifieds”. It is a great place to sell all your fossils and paraphernalia to a selected audience. Not only can you advertise your fossils for sale, your other pre owned treasures could also be advertised.

Your advertisement will be advertised on our web site and also in our Club’s Fossil News Magazine for 3 months until the next magazine issue.

Please contact the Editor if you wish to place an advertisement – dhindy@bigpond.net.au
